Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(b), Applicants bring to the attention of the Examiner the documents on the attached listing. To the undersigned's knowledge, this Information Disclosure Statement is being filed before the mailing date of a first Office Action after the filing of a Request for Continued Examination in the above-referenced application.

Copies of the U.S. patents and patent publications are not enclosed. Copies of the foreign and non-patent literature documents are enclosed.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

The following remarks are provided regarding the non-English language documents cited on the attached listing:

DE 3808942 A1 – An English language Abstract, which was obtained from the European Patent Office website, is submitted herewith.

EP 0 676 643 A2 – An English language Abstract, which was obtained from the European Patent Office website, is submitted herewith.

WO 90/15881 A1 – An English language Abstract appears on the title page of this document.

Kuzmin et al., *Mol Gen Mikrobiol Virusol*, 1991, Vol. 8, pp. 6-8. - An English language Abstract appears on the title page of this document.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the U.S. Patent and Trademark Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 50-4126.

Respectfully submitted,

O'BRIEN JONES^{PLLC}
